Evelyne & Pascal Clairet created their vineyard in 1991. They work 6 hectares of vines, from which they produce 12 cuvées. They make traditional wines in the traditions of Arbois, such as the Terre de Gryphées, & also explore new paths, such as the carbonic maceration in the Uva Arbosiana cuvée. Their methodology & passion is clearly invested in producing wines that represent the tradition & potential this dynamic AOC possesses. The couple has now opened a little bistro in the center of the town of Arbois.

On Zoue (pétillant naturel du raisin):

Vinification: A natural sparkling wine, bottled before the grapes have finished fermenting. 10.5% alc. only, with some residual sugar. This deliciously fun ("on zoue" means "lets play" -- but the way a child would say it) sparkler is made from grapes from young vine Ploussard.

Tasting Notes: pretty red fruit fun.
